## Du-Calm™ Liquid

### Description

**Du-Calm Liquid** is a nutritional supplement that can be included in drinking water for all types of production animals. The product contains extracts of lemon balm (*Melissa officinalis*), stevioside (*Stevia rebaudiana*), and magnesium of marine origin.

It is recommended to use **Du-Calm Liquid** in stressful periods, e.g. at weaning, handling, transportation (including transport to slaughter). An overdose can cause the animals to become passive.

There is no retention time when using **Du-Calm Liquid**.

### Specifications

<b>Contents</b>	Lemon balm extract ( <i>Melissa officinalis</i> ), stevioside extract ( <i>Stevia rebaudiana</i> ) and highly bioavailable magnesium chloride of sea origin
<b>Appearance</b>	Dark-brown liquid
<b>Stability</b>	Minimum 12 months, when kept in unopened or tightly closed packaging
<b>Storage</b>	Dry, cool (below 30°C)
<b>Packaging</b>	5 litre plastic bottles

### Recommended dosage

<b>All animal species</b>	1-2 litres / 1000 litres of drinking water for min. 3 days
